

ELEVATE ACADEMY

DRIVERS EDUCATION

How to get your required driver's permit from DMV:

The student and his/her parent or guardian **together** must take the following items to the DMV in order to secure a driver's permit. Please inform the clerk at DMV that the permit will need to be sent to Elevate Academy Caldwell Program. If the student's last name is different from that of the parent/guardian, appropriate records should be made available that provides proof of the parent/guardian's relationship to the student. (Step-parents cannot be liability signers unless legal adoption papers from the court are provided).

- ❖ A "Verification of Compliance" form from the school. Students can secure this from the school office.
- ❖ An original, state certified birth certificate. Certificate must be issued from the state where you were born. If official, it will have a raised or embossed seal on it. Copies of certificates will not be accepted. Hospital certificates will not be accepted. **Students must be fourteen years six months (14 ½) years old on or before the day they purchase a drivers permit.**
- ❖ Photo Identification. Both parent and student must provide photo ID. (student activity card, yearbook, military card, etc.)
- ❖ Social Security number
- ❖ \$26.50 to pay for permit.

The DMV will issue to you a driver's permit "receipt" with student DL#. The DL# will be required to register online. **The receipt is your "ticket" into the program.** You must bring it to the Parent/Student Meeting.
