VIII. Progress Report: Describe the progress of wellness policy goals and track additional wellness practices.

Progress is improving post pandemic. Increased snack & track time in 2023. Teachers do not hold an entire recess from students, ensuring exercise and movement throughout the day is still available. Vision Charter has increased community family activities and schoolwide fun runs. Due to schedule restraints, students in elementary school eat and then play. We are hopeful to facilitate a schedule that allows students to play and then eat in 2024. Although PE credits are not required in HS, we do offer multiple PE courses at the HS level including traditional PE and a variety of Weightlifting and CrossFit classes. We strongly discourage the use of food as a reward.
