

Dear Parents of Current K – 4th grade Vision Charter Students:

We are in the process of registering students for classes for the 2020-2021 school year. We currently have close to 900 students actively hoping to get a spot at Vision Charter School next school year. To accurately offer spots for next school year, we need to have up to date information regarding who is returning next year. Please fill out and return the form below to confirm your child's spot for next year and help us determine how many spots will be available by April 15, 2020.

Please return this completed form by email to Mrs. Sheree Boothby at shereeboothby@visioncsd.org by **Wednesday, April 15, 2020** to secure your child's spot for the 2020-2021 school year. We will accept an electronic signature during these extraordinary times by typing your child's name in the applicable line and typing your name in the Parent Signature line or you may print it out, sign, and return.

My child, _____, **WILL BE** returning to Vision Charter School next school year.

If your child will **NOT** be returning to Vision Charter next year, please let us know by filling out the form below. This will allow us to fill the spot with the next student on the waitlist. If you are still undecided, please let us know as soon as possible so that we may timely register all students in preparation for next year. This decision will not change how we feel about or treat your child. We support you in your decision to select the best school for your child's specific needs.
