

VISION CHARTER SCHOOL RECOMMENDED SCHOOL SUPPLY LISTS 2020-2021

The following lists represents the recommended consumable supplies for your child's individual use. Items may need to be replenished if lost, used up, or damaged. We encourage families to re-use any items from last year that are still in good condition. Please label ALL supplies with your child's first and last name.

The "Wish List" items at the bottom of each school supply list are provided to help parents who want to know what they can donate to help out the teacher and classroom. Families who are interested in helping out those in need may drop off extra supplies at the main office starting August 5th. If you need support providing school supplies for your child, please email wendyoldenkamp@visioncsd.org.
